

Cotton fashions on show

One of the highlights of the Trade Show this year was the Cotton Products Fashion Parade. Although the wet weather forced a cancellation on the first day, the parade on the second day drew an attentive audience of over 350 people.

The parade was organised by Judy Watters and Eiffla Hardman and featured fashions from the exhibitors in the Cotton Products pavilion. Many of these exhibitors have strong links to the production side of the industry. Fashions on show included those from:

- The Cotton Shop;
- Goondiwindi Cotton;
- Just Cotton;
- Cotton Collection;
- Three Wishes/Tandou Pima Cotton;
- Roumalia Creek Hobby Horse; and,
- Dust 'N Boots.

The parade included everything from sleepwear to evening wear and was hosted by 2VM's Ken Birch and The Cotton Shop's Myrna Harris, ably assisted by B&W's 'Mike on a Bike'.

Once again, many of the 'volunteer' models were

drawn from the good looking exhibitors including Carla, Ross, Paul, Judy, Lou, Joss, Laura, Elizabeth and Ryan plus local models Eiffla, Sarah, Emma and Page. 

It was smiles all round as the volunteer models strutted their stuff on the red carpet.
